CALL TO ORDER
CITIZENS WISHING TO SPEAK TO THE BOARD
APPROVAL OF MINUTES

OLD BUSINESS:

Any updated information re: Final Climate Action Plan and presenting it to the City- now being considered by the ACS committee and City staff- Discussion of Ordinance, Glen Carbon's distributed. Email was sent to SJ Morrison asking that Action Plan be removed from ACS agenda, and used as the Cool Cities guiding document, and Cool Cities ordinance placed on instead. Potential ordinance to submit to ACS was sent by email to committee members for consideration. Recommended for re-presentation early this year.

Attendance Expectations at monthly meeting- letter from Mayor- 70% attendance is expected
Meeting minutes need to be posted

League of Women Voters will partner with us on Green Team.

Discuss Conservation Efforts of Heartlands Conservancy and local applications- Bohm Woods Nature Preserve buffer will be restored to a natural state. Grant from the Illinois Clean Energy Community Foundation. Volunteers needed this fall. Sand Prairie near Edwardsville acquired July 25, grant from same Foundation, Prairie restoration will begin once this 10 acre Poag Sand Prairie is transferred to Heartlands Conservancy.

Website update- layout and information links. No response to recent email
