IV) OLD BUSINESS:

- a) Winter Sidewalk Clearance - Ordinance requires clearance within 3 business hours. Gibbons noted lack of clearance on City-owned shared-use paths. Stacy recommends an individual going to City Council meeting. Newcom will follow-up with Zwijack and Buncher if any progress could be made.
- b) Crosswalk Enforcement - Performed last summer, accompanied by social media posts. Hensley says EPD would be willing to do more, pending logistics. Adair will coordinate with EPD.
- c) 2026 Grand Illinois Bike Tour - Cox is still awaiting a reply. Hensley says Great Rivers & Routes is very involved; cox will reach out to them.

V) NEW BUSINESS:

- a) 2026 Earth Day Event at Watershed - Lara Jennings requested BPAC as a sponsor in a planned community bike ride for their Earth Day event. Stacy asked for clarification on one route versus many- Jennings said they would suggest a route but encourage others to use the trail as it makes sense for their commute. No BPAC funds will be necessary. BPAC could also have a table at the event if desired. Jennings requests a reply from the committee within a week ideally. Stacy inquired as to the reason for a one-way bike ride; Jennings said it is up for discussion. Gibbons likes the idea of one-way to allow individuals to spend their desired time. Perhaps should add stops - Adair suggests a bike bus approach. Newcom inquired about the logistics of planning- they are to be determined. Committee is in favor of participating; Newcom will communicate back to Jennings and loop in willing committee members.
- b) FY 2026-2027 Budget - Discussion regarding totals and recent updates. Stacy made a motion to approve the budget as drafted, seconded by Gibbons. Motion passed unanimously.
- c) Streetscape Light Pole Banner Application - No discussion.
- d) New Subgroup Items -
 - i. Education & Safety - Hemphill shared that the Spring Bike Bus will occur on the first three Fridays in May.
 - ii. Policy & Infrastructure - Gibbons shared that he plans to learn more about IDOT requirements in order to have a better presence at PSC meetings.
 - iii. Community Engagement - Frost said committee met with Musonda Kapatmoyo about a Draft event with Rotary. Rotary could approve 3 collaborative events with a budget of up to \$300/event.
 - iv. Marketing & Communications - First meeting among Newcom, Pauli, and Hensley went well.

VI) INFORMATIONAL

- VII) ADJOURNMENT:** With no further business to discuss, Adair made a motion to adjourn; seconded by Schaefer. Motion passed unanimously.
