PUBLIC COMMENT: Karen Zimmerman voiced her opinion on the 715 St. Louis St. HPC Denial. She filed for a FOIA to confirm dates of postcards being mailed to Historical properties informing them that they reside in a Historical District. She mentioned that she has had her property for eight years and has not received a postcard. Krause reassured that he personally handed a postcard to Frick (715 St. Louis St. homeowner) in 2011/2012 with City Planner Scott Hanson and he went to every door in the Historical Districts. He disagreed with the entirety of Zimmerman's statements. Burns fully agreed with Krause.
