COMMEMORATIVE BRICK & PAVER PROGRAM

Let's Build TheCENTER! TheCENTER is a proposed ice and recreational complex located in Edwardsville. This year-round option for skating and exercise also offers one of the only 175-meter indoor tracks in the area. Connected to a vast trail system, in walking distance from two local high schools, and conveniently accessible to its neighboring communities, TheCENTER will also provide a teen center and meeting spaces.

Help build TheCENTER by purchasing a brick or paver to be used in a special patio area near TheCENTER entrance.
