RE: Chapman Street Road Improvements

Weather dependent, beginning at 7:00 AM on Tuesday, April 5, 2022, Chapman Street will be closed to all traffic from Mill Street to Hickory Street as well as the intersection of Chapman Street and Lindley Avenue. This closure will allow for the installation of utilities and replacement of the existing culvert under Chapman Street. This closure is anticipated to be in effect for several weeks. The roadway will be reopened once improvements are complete.

Motorists shall use alternate routes. During the closure, a detour route will be posted. Motorists will be required to utilize State Street, Orchard Street, and N. Fillmore Street to avoid the closure. The City appreciates the cooperation of all residents during this process.

Please contact Public Works at (618) 692-7535 with any questions.
