

# Green Thumb Awards

## 2023 NOMINATIONS

It's once again time to recognize and honor efforts to beautify Edwardsville through landscaping, flowering or gardening projects. The Green Thumb Awards were created by the City's Beautification and Tree Commission to encourage projects that foster neighborhood and civic pride.

Nominations may be submitted between May 1 and June 4.

### Who's eligible for a Green Thumb Award?

Anyone who maintains property located within Edwardsville City limits can be nominated. Self-nominations are encouraged! The Green Thumb Award Committee will consider the character of a project, such as whether it's maintained by a homeowner, professionally designed and maintained or maintained by volunteers. Nominations can fall into one of four categories (circle one):

RESIDENTIAL    CIVIC    NEIGHBORHOOD    BUSINESS/COMMERCIAL  
*(Block/subdivision)*
