RE: Roadway Closure  
7757 Goshen Road (Between Ridgeview Road and Interstate 55)

---

Weather dependent, beginning Monday, May 6, 2019, Byrne and Jones will begin the installation of a new storm sewer crossing near 7757 Goshen Road. This installation will require a full closure of Goshen Road, which is anticipated to be in effect for the entire day. This closure will allow for the installation of the storm sewer across Goshen Road.

In the event that weather conditions prevent this work from occurring on Monday, May 6, 2019, the closure will shift to Tuesday, May 7, 2019.

Motorists are encouraged to use alternate routes. Motorists will be required to utilize Ridgeview Road, IL143, and Staunton Road to avoid the closure. The City appreciates the cooperation of all residents during this process.

Please contact Public Works at (618)692-7535 with any questions.
